

APPLICATION

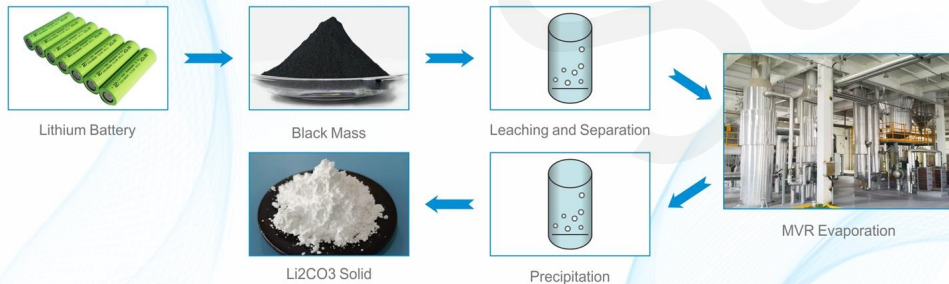

- Lithium Extraction
- Lithium Battery Recycling
- LFP Wastewater Treatment
- NCM Effluent Treatment

Lithium Extraction

Lithium Battery Recycling

SOLUTION

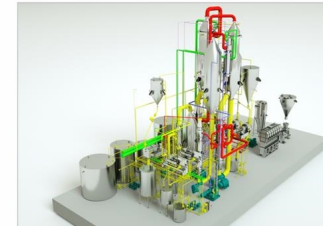

Evaporation Solution

- Control the Lithium Loss
- Enlarge the Lithium Yield
- Save Energy Consumption
- Support Lithium Projects

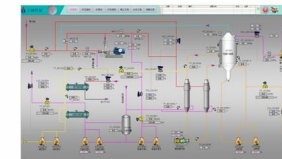

MVR Evaporation & Crystallization

Freezing Separation

Membrane System

◇ Optimum Engineering Design

◇ Clear 3D Design

◇ Customized Automotive Control System

◇ Advanced Fabrication

◇ MVR Steam Compressor Manufacturer
